Though boat races are considered to be a major component of Kerala's culture, it is the Nehru Trophy Boat Race that elevates it to the excitement of a pinnacle sporting event. It brings world wide acclaim not only to Alappuzha, but also to the whole country. Among these various major and minor boat races, the Nehru Trophy is one of its kind which enjoys immense international attention.

Chronicle of Nehru Trophy Boat Race

The Nehru Trophy Boat Race commemorates the visit of the first Prime Minister of India, Pandit Jawaharlal Nehru to Alappuzha in 1952. Panditji chanced on a trip from Kottayam to Alappuzha by boat. A procession of the snake boats accompanied him on the trip - competing against each other. Fascinated by the rhythm and precision of the paddlers, Panditji is said to have jumped into Nadubhagam Chundan(Snake Boat). The Nadubhagom Chundan proceeded to Alappuzha Boat Jetty with the Prime Minister on board, leaving the security officers stunned. It was Panditji who suggested starting a boat race as an annual event. Later, he sent an autographed silver replica of a snake boat as a trophy, etched with a handwritten message: "*To the winners of the boat race which is a unique feature of the community life in Travancore - Cochin*".

The Nehru Trophy Boat Race has now gained international acclaim for showcasing Kerala's unique cultural heritage. The boat race committee usually runs this international competition with the help of sponsorship of any international business firm. 69th Nehru Trophy Boat Race Committee expects kind sponsorship from your world famous business firm. On behalf of the committee, I assure that if you undertake this venture, it will certainly enhance the popularity of your firm.
